

Exercise 1: Marking up a text file

THE RUBIK'S CUBE

The Rubik's Cube is one of the most fascinating physical puzzles ever made. While simple in it's design, they are **tough** to solve!

Three Great Things About the Rubik's Cube:

1. Speed-solving a Rubik's Cube is a fun goal to strive towards, and you can even participate in competitions!
2. The Rubik's Cube comes in a variety of shapes and sizes:
 - The 2x2 Rubik's Cube is perfect for introducing puzzles to kids!
 - The 3x3 Rubik's Cube is a classic, and has a lot of depth.
 - The largest solved Rubik's Cube was 17x17, solved in 7.5 hours!
3. Novel Rubik's Cube designs make for great desk-toppers!

Exercise 2: Create a Simple “About Us” Webpage

Given [index.html](#), each group should add the following to the **<body>**:

- One heading **<h1>** with a group name. Try and make it creative!
- One section **<section>** or article **<article>** describing something all group members have in common
- A paragraph **<p>** for *each group member* with their name and year

One list (unordered **** or ordered ****) with the elements **** listing *each group member's* current favorite song

Exercise 3: Create a “About Us” Webpage

About Us
